Dear Lucy

I understand you are seeking responses by tomorrow to the proposals laid out in the Voluntary Code of Conduct document sent out last week.

Whilst demonstrators are not a group. I think in this instance a consolidated response is more helpful. As such, I have communicated my concerns to [REDACTED] and you can consider my responses to be contained in what he will send you.

Thank you again for your openness and transparency. It is very refreshing.

Yours sincerely

P.s. It seems a certain Church has published another webpage about [REDACTED] and within it there appears to be, what the authors claim, fragments of my Medical Record which are considered private. That's nice.
