NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

All the activities of the entity are based in the United Kingdom (UK) and there are no financial transactions between the Association's branches in the UK and in Australia.

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act). The committee has determined that the entity is not a reporting entity.

The financial statements have been prepared on the historical cost basis. They do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

#### a. Income Tax

No provision for income tax has been raised in Australia as the entity is exempt from income tax under of the Income Tax Assessment Act 1997 as its income is foreign source income derived entirely in the UK.

The entity is however subject to UK corporation tax which arises from the entity being resident for tax purposes in the UK

The UK tax expense for the year comprises current UK tax expense (income) and deferred tax expense (income).

Current UK tax and deferred tax are recognised in income and expenditure except to the extent that they are recognised directly in equity or in other comprehensive income. Current UK tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the UK tax authorities.

Deferred tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

Current UK tax and deferred tax expense (income) is charged or credited directly to equity instead of income and expenditure when the tax relates to items that are charged or credited directly to equity.

No deferred tax will be recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the UK tax rates that are expected to apply to the period when the asset is realised or the liability is settled and their measurement also reflects the manner in which the committee expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

#### b. Property, Plant and Equipment (PPE)

Each class of property, plant and equipment is carried at cost, less, where applicable, accumulated depreciation and any impairment losses.

#### Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected new cash flows have not been discounted to their present values in determining recoverable amounts.

In the event the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

#### Depreciation

The depreciable amounts of all fixed assets including buildings and capitalised leased assets, but excluding freehold land and long leasehold, is depreciated at the following annual rates over the assets useful life to the entity commencing from the time the asset is held ready for use:

Class of Fixed Asset	Depreciation Rate	
Buildings	5%	
Building improvements	5%	
Leasehold property	Equal instalments over the period of the lease	
Fixtures and fittings	10% and 20%	
Computer equipment	33.33%	
Motor Vehicles	25%	

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains or losses are recognised immediately in income and expenditure.

#### c. Impairment of Assets

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

#### d. Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

#### e. Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### f. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

#### g. Revenue and Other Income

Donations and income grants are recognised when the entity obtains control over the funds, which is generally at the time of receipt.

As reported in note 12, the Church does not account for deferred income on donations from parishioners in the UK because such donations are made unconditionally.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

Grants received for fixed assets are deferred and recognised over the life of the asset.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Other income is recognised when the entity has earned the right to consideration.

#### Leases

At inception of a contract, the Entity assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Entity where the Entity is a lessee. However all contracts that are classified as short-term leases (lease with remaining lease term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the Entity uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date:
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options if lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Entity anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

#### j. Critical Accounting Estimates and Judgments

The committee members evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

The committee members evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

#### Key estimates

- a. Estimated life of fixed assets
- b. Residual value of fixed assets
- c. Market rate of loans from related entities

#### k. Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the entity during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### I. Amounts payable to Affiliated Organisations

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the entity during the reporting period that remain unpaid.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### m. Foreign Currency translation

#### Functional currency and presentation currency

The financial statements are presented in Australian dollars, being the presentation currency. The primary economic environment of the entity is the UK, with the functional currency being in Sterling Pounds.

#### Transactions and balances

In preparing the financial statement of the entity, transactions in currencies other than the functional currency are recognised at the spot rate at the dates of the transactions or at an average rate where this rate approximates the actual rate at the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical costs in a foreign currency are not retranslated.

Exchange differences are recognised in the income and expenditure statement in the period in which they arise. Translation of the accounts into presentation currency.

For the purpose of presenting the financial statements, the assets and liabilities are translated from their functional currency to Australian dollars using the closing exchange rate. Income and expenses are translated using the average rate for the period. Exchange differences arising on the translation of the accounts are recognised in the statement of changes in equity and are not reclassified to the income and expenditure statement.

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Church of Scientology Religious Education College Inc Not For Profit (ACNC Non-reporting) (the registered entity), which comprises financial position as at 31 December 2021, the statement for profit and loss and other comprehensive income, statement of changes in equity and statement of cash flow for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committees' declaration.

In our opinion, the accompanying financial report of Church of Scientology Religious Education College Inc Not For Profit (ACNC Non-reporting) has been prepared in accordance with Div. 60 of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act), including:

- giving a true and fair view of the registered entity's financial position as at 31 December 2021 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1, and Div. 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ACNC Act, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the Australian Charities and Not-for-profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Responsibilities of the Committee for the Financial Report

The committee of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstalement, whether due to fraud or error.

In preparing the financial report, the committee are responsible for assessing the registered entity ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

# Church of Scientology Religious Education College Inc Financial Report for the Year Ended 31 December 2021 INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF CHURCH OF SCIENTOLOGY RELIGIOUS EDUCATION COLLEGE INC

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the registered entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and
  whether the financial report represents the underlying transactions and events in a manner that achieves fair
  presentation.
