Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The Land shown outlined in red on the plan is used for an annual event in or around October each year celebrating the anniversary of the founding of the International Association of Scientologists at Saint Hill Manor in October 1984. Large temporary marquees are erected on the Land for this purpose. The event draws thousands of Scientologists and visitors from around the world. The event takes place over 3 days – Friday, Saturday and Sunday. It culminates with a charity concert on the Sunday evening, which raises money for local charities. The erection takes several weeks. Including rehearsals, the actual use occurs for approximately one week. Dismantling and restoration of the land takes about a month. Other parts of the field, outlined in blue, are also used for purposes ancillary to the event - such as providing an access from Saint Hill Castle to the event marquees and temporary roadways around the marquees.
