Dear Jack,

Thank you very much for your reply. It's my turn to apologise for the delay in responding.

I will now compile and submit a formal request in writing, as directed.

Should this be addressed to yourself?

Kind regards,

Dear [REDACTED],

My apologies for the time taken to respond to your request (dated 24 January) to become a member of West Sussex SACRE - I have made the Chairman, Cllr Richard Burrett, aware.

We invite you to submit a formal request in writing (email is fine) which should address the following:

- Explain the governance of the organisation – where authority sits for taking decisions about how the Church should be represented through other organisations and confirmation of how this nomination has arisen.

- Be supported by information about the place and role the church has in the community of West Sussex and its role in particular with regard to education and young people in the area.
- Explain the reasons for seeking membership of SACRE.

I look forward to hearing from you in due course.

Kind Regards,
Jack

Dear Jack,

I would like to apply to become a member of the West Sussex Standing Advisory Council on Religious Education and I found your email address on the website.

West Sussex has the largest concentration of members of our religion in the country, and a proportionate number of children in local schools.

Please could you advise me on the process for becoming a member of the Advisory Council.

Kind regards,
